**This Scholarship is regulated by:** Portuguese Research Fellow Charter/Estatuto do Bolseiro de Investigação Científica (Law no. 40/2004, Decree-Law no. 123/2019, Decree-Law no. 89/2013, Decree-Law no. 233/2012, and Law no. 12/2013); Fundação para a Ciência e a Tecnologia Fellowship Bylaws/Regulamento de Bolsas de Investigação da Fundação para a Ciência e a Tecnologia, IP (last version).

The template of the Scholarship contract, of the final report and of the opinion of the supervisor are available at: <https://iecc-pma.eu/bolseiros-as/>

**Place of the activity:** The activities related to the Scholarship will be developed at the IECCPMA headquarters, national archives and partner entities of the projects.

**Duration of the Scholarship:** The Scholarship will have a duration of 6 (six) months, and may be automatically renewed for equal periods, if budget is available, up to a maximum of 3 (three) years.

Following the procedure for granting the Scholarship, if the final ranking list, duly ratified, contains a number of successful candidates greater than the number of available Scholarships, an internal recruitment reserve is always created, which is used within a maximum period of 18 (eighteen) months from the date of approval of the final ranking list, when there is a need for filling the vacancy due to renunciation of the scholarship holder.

**Benefits:** Stipend in accordance to the Portuguese Science Foundation salary scale ([https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM\\_atualizacao-2024.pdf](https://www.fct.pt/wp-content/uploads/2024/02/Tabela-de-Valores-SMM_atualizacao-2024.pdf)), paid by bank transfer.

Insurance costs (Seguro Social Voluntário for the first level and Seguro de Acidentes Pessoais) are supported by the employer.

Acceptance of the Scholarship is exclusive of any other professional or research activity (Art. 5 of the Research Fellowship Holder Statute).

**Selection process:** The application selection methods will consist in Curricular Evaluation (CE), considering the requirements identified in this notice, as follows:

- a) Absolut merit of academic training, or qualification level certified by the competent authorities, valued from 1 to 20 points (40%);
- b) Previous experience in areas directly related to the work plan and adequacy of the candidate's profile to the presented requirements, valued from 1 to 20 points (35%);
- c) Proposal for a postdoctoral research project (in conformity with the scientific field of this notice), valued from 1 to 20 points. (20%)
- d) Motivation letter, valued from 1 to 20 points (5%);

In this sense, the classification formula for the relative positioning of candidates will be  $CE = M*0,4+PE*0,35+P*0,20+ML*0,05$ , whereas M is absolute merit, PE is previous experience and adequacy of the candidate to the work plan, P is the proposal for research project, and ML is the motivation letter and other relevant characteristics presented by the candidate for the work to be developed and the availability to start work.

If the jury considers pertinent, the candidates may be called for an interview.

**Selection jury:** PhD José Eduardo Franco (President), Cristiana Lucas Silva, PhD Paula Carreira and PhD Susana Alves Jesus.

**Publicity/notification of results:** The final results of the evaluation will be publicized, through a draft ordered list published on the website of the IECCPMA.

The results of the evaluation will be published within 90 working days after the deadline for submission of applications. Candidates may present complaints about the final ranking list project within 10 working days from its publication. The final decision will be taken within a maximum period of 60 working days after the conclusion of the prior hearing period for interested parties.

The successful candidate will be notified via email.

**Deadline for application and form of submission of applications:** Applications may be submitted within the period of from 15 to 29 of April of 2024.

Applications must be mandatorily submitted through an application letter accompanied by the following documents: detailed Curriculum Vitae, certificate of qualifications with the classifications of the subjects, proposal for postdoctoral research project (2500 words maximum), motivation letter and other documents that the candidate considers relevant. No documents to be submitted may be presented after the deadline set for this purpose in the application notice.

During the application phase it will be sufficient for candidates to demonstrate that they meet the necessary conditions described in the admission requirements. During the phase of signing the Scholarship contract, it will be necessary to present documentary evidence of academic degrees and diplomas, or their recognition when awarded by foreign higher education institutions.

Applications that do not submit the required mandatory documentation will be excluded.

Applications must be sent by email to [ieccpma@gmail.com](mailto:ieccpma@gmail.com).
